The Committee is empowered to accept or to reject any proposal, which fails to fulfill the specified requirements. The Committee assessed the technical bids and rated as per Evaluation Criteria. The main points of committee findings are narrated below:

With respect to Bidding Document, the bidder has to furnish mandatory documents as mentioned in Document Check List. The Committee found that all bidders submitted the necessary documents thus recommended as Responsive *except M/s Innovative Computers System*, because its technical bid was incomplete i.e. mandatory documents was not attached thus disqualified. The marks were given to the bidders as per parameters mentioned in the Evaluation Criteria.

Given the aforementioned comments, the Mandatory Document Checklist, the Bidder's Evaluation Report and the Item's Technical Qualification Report are enclosed at **Annexure-A, B & C** respectively. The Committee has found following bidders as Responsive i.e. **M/s Anadigi System, M/s Ansari Traders, M/s BS Traders, M/s M. Khalid Malik and M/s Tooba Enterprises.**

Therefore, the Committee recommended to open the financial bids of Technically Responsive Bidders and to return the sealed financial bids of Technically Non-Responsive Bidder. The bidder's may be informed to collect their sealed financial bids from the office of Deputy Director Purchase or to return the same through TCS courier service.
