ADMISSION PROCEDURE

QUAID E AZAM MUHAMMAD ALI JINNAH

// I particularly appeal to our intelligentsia and students to come forward and rise to the occasion. You have performed wonders in the past. You are still capable of repeating the history. You are not lacking in the great qualities and virtues in comparison with the other nations. Only you have to be fully conscious of that fact and to act with courage faith and unity. **//**

MESSAGE

It is an honor to write a message for the prospectus of MBBS and BDS session 2022-23 for all the public sector Medical and Dental universities/ colleges of Sindh.

This year Dow University of Health Sciences has been nominated as the focal university for conducting the MDCAT as well as the admitting university for admissions of MBBS and BDS session 2022-23 across Sindh province.

This was the first time that any medical university conducted the MDCAT across Sindh province. Alhamdulillah the testing process has successfully been completed by hard work and continuous support of all the members of Provincial Admission Committee and their respective teams/staff.

Now it is time for the admission process to start. Therefore, this prospectus has been prepared to provide necessary information and guidelines for the applicants intending to get admission in MBBS and BDS programs in public sector universities/ colleges of Sindh.

The admission process will be conducted as per policy/ regulations 2022-23 of Pakistan Medical Commission and guidelines of Government of Sindh. The provisions made in this prospectus are liable to be modified, relaxed or amended as per recommendations of Government of Sindh, Pakistan Medical Commission and Provincial Admission Committee and such changes will be applicable to all concerned.

Best wishes to all the applicants and hope the admission process will complete successfully.

DR. TAYYABA AAMIR
Director Admissions
Dow University of Health Sciences

**DOW UNIVERSITY
OF HEALTH SCIENCES**

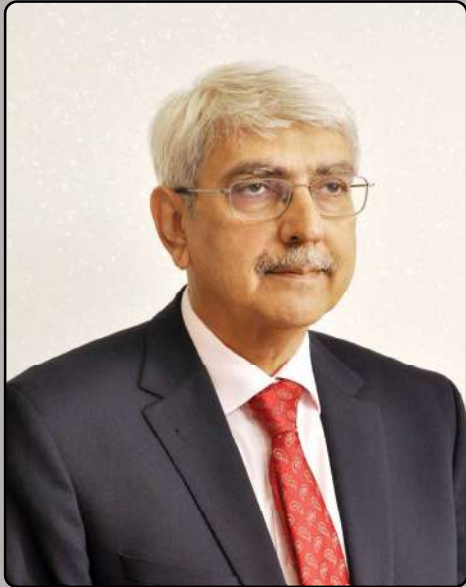

VISION

Be an academic leader by generating creative, collaborative, contextual resources to improve health and education by all possible means.

MISSION

To provide leadership in creating and imparting knowledge through excellence in research and education with the aim to provide cost effective, contextually relevant and quality community services through its faculty, staff and graduates, with continuous efforts for improvement through reflection and learning.

Dow University of Health Sciences

MESSAGE

In recent years, both nationally and internationally, Dow University of Health Sciences (DUHS) has been recognized and accoladed for its role in providing excellence in education and meaningful commitment to the clinical services in the Healthcare Sector. As of 2022-2023, DUHS is ranked at a global level and is considered a pre-eminent institution committed to changing and saving lives. We hope to continue this growth by welcoming more students than ever before, with ambitious plans to grow further in the coming years.

The DUHS is proud of our faculty, management, staff, and especially its current students, alumni and industry collaborators who have played their respective roles in achieving the strategic goals which includes; a culture of academic excellence, community service and research innovation. With this backdrop and at the heart of the DUHS Vision, we are committed to creating a future version of our heritage which includes; a quality education and services along with numerous research facilities and infrastructure. Furthermore, we are committed to playing a significant role in improving the lives of our communities and we take this challenge more seriously than ever before.

In support of our commitment to a pre-eminence in education, DUHS offers state of the art classrooms, campuses, collaborative teaching spaces, as well as the latest technology to enable our faculty and students to utilize the cutting-edge teaching techniques and take part in innovative research practices. There are always ample opportunities for DUHS students to participate in research and extracurricular activities through our multidisciplinary labs, research facilities, sports centre, student societies and business incubation centre. We anticipate this journey ahead to be dynamic filled with growth and prosperity for the years ahead, especially the incoming students of the year 2022-2023. I welcome you all to exploring the programs offered at Dow University of Health Sciences!

PROFESSOR MOHAMMED SAEED QURAI SHY

Vice Chancellor

Dow University of Health Sciences

INTRODUCTION

Dow University of Health Sciences (DUHS) is one of the most renowned education institutions of Pakistan. Since its inception in 2003, this University has been the fastest growing medical institution of the country. The University has the distinction of being the largest medical university of the country with more than twenty separate Institutes which are providing education to about 5000 students.

DUHS has both the undergraduate and postgraduate programs which are perceived to be of highest quality. The university provides excellent academic facilities through its fully equipped laboratories, museums, information technology including video conferencing facility besides good logistic facilities at departments, hostels and the campus in general.

The students also have access to maximum possible academic and learning resource including Digital Library having access to more than 22,000 full text journals and text books even from home. Students have opportunities to participate in hands on training workshops and specialist courses at Professional Development Centre (PDC) of the university which is fully equipped with manikins, simulators, simulating ICU and operation theatre besides other required equipment for the training of postgraduates. There is also a separate skills lab for the training of undergraduates and post graduates.

MBBS

Dow Medical College (DMC)

Dow Medical College was founded in 1945 in the medical school started by Dr. Homestead at Hyderabad in 1881. Later it was shifted to Karachi and named after the Sindh Governor Sir Hugh Dow in recognition of his keen interest and support. It remained affiliated with the University of Bombay, University of Sindh and then Karachi University, ultimately becoming an independent Dow University of Health Sciences in 2004.

DMC is a premier Institution with graduates working all over the globe. It is one of the largest medical Colleges in Pakistan, and the pioneer public sector Medical College with high fidelity simulation Lab. Other unique facilities include day care center, smart class rooms, digital library, video conferencing facility and health professional education center in addition to the 5 lecture halls, two auditoria, sports facilities including dedicated squash court, Boys and girls Hostels and canteens, and transportation facilities. DMC has zero tolerance to harassment with an active anti-harassment cell. The Faculty is highly experienced and qualified. Clinical teaching is provided at the affiliated Dr. Ruth K. Pfau Civil Hospital Karachi, which is the largest tertiary care center in the province of Sindh.

Dow International Medical College (DIMC)

This college was established in 2007. It is a constituent college of Dow University of Health Sciences admitting 150 MBBS students per year, specifically to facilitate the medical education for the children of overseas Pakistanis residing all around the world. DIMC is included in WHO directory & IMED-FAIMER. It is also accredited by American Medical Residency Certification Board (AMRCB).

The college building is a state-of-the-art with a constructed area of 200,000 square feet. The college has five fully equipped basic medical science laboratories including the Power Lab, well established Anatomy and Forensic Museum and Skill Lab. It also has state of art Professional Development Centre for Faculty development & training. There are five lecture halls with a seating capacity of 300 students and five seminar rooms for small group discussions. The college has a huge three storied library with book section, digital library with three hundred work stations, reading room and video conferencing room.

DIMC has two affiliated teaching hospitals i.e Dow University Hospital & Ojha Institute of Chest Diseases. The medical college has magnificently grown its clinical services through Dow University Hospital, a 600 bedded facility with a flourished OPD Block with busy clinics of medicine, surgery and its allied disciplines respectively where students are provided with an integrated modular training.

BDS

DENTAL COLLEGES OF DOW UNIVERSITY

Dr. Ishrat-ul-Ebad Khan Institute of Oral Health Sciences (DIKIOHS)

The institute was established in the year 2006, for the enhancement of academic excellence in dentistry with a need for an increase in human resource required for the provision of community health care. DIKIOHS is the most modern institute of Pakistan, fully equipped with the latest equipment and health care facilities and supervised by highly qualified dental surgeons scarcely found in Pakistan. The Dental College is imparting four-year under-graduate dental education leading to the degree of Bachelor of Dental Surgery (BDS) and The Post Graduate Training Centre at DIKIOHS is providing training of FCPS and Master of Dental Surgery (MDS). The institute has well equipped laboratories and spacious lecture halls with one complete floor designated for specialized advance research.

The Dental Hospital is equipped with 125 dental chairs and has 9 out-patient Departments. The Dental Hospital is providing training to undergraduate / postgraduate students as well as providing best treatment for public.

Apart from curricular activities, the institute encourages co-curricular and extra-curricular activities and offers them to students at periodic intervals.

DOW DENTAL COLLEGE (DDC)

This college was established in 2012 with the vision of professional excellence in the dental sciences. DDC offers a four-year Bachelor in Dentistry program. It is also a recognized center for FCPS training in Operative Dentistry and Oral and Maxillo-Facial Surgery. In addition, it plans to offer FCPS, M. Phil and PhD in all disciplines in the coming future. The college has one of the best faculty in the region. Among its faculty are fellows, PhDs and MPhil/MDS/MSc trained from the best institutes nationally and internationally. Also the basic and clinical sciences faculty of Dow Medical College is involved in teaching the undergraduates.

The newly constructed facility of Dow Dental College is a state of art infrastructure with top of line facilities for teaching and research. This college has a fully functional Dental Hospital equipped with the most modern equipment and instruments. The highly experienced and qualified clinicians provide a wide range of dental services to the local community at subsidized rates. Civil Hospital Karachi (CHK), which is an allied institute of the college, imparts clinical teaching to the students. Additionally, the Oral Maxillo-facial Surgery (OMFS) ward of CHK provides care to a wide range of patients from oral cancers to facial trauma. Students, house job interns and post-graduate trainees benefit from the expertise of clinicians of OMFS ward.

It is the first government sector institute to be awarded regular license of Sindh Health Care Commission and the only Dental College in the country to possess Scanning Electron Microscope (SEM).

DOW INTERNATIONAL DENTAL COLLEGE (DIDC)

The college was established in December 2011 as Dental Section, Dow International Medical College, Dow University of Health Sciences. It was established to provide excellence in academics, research orientation in the highest quality of scientifically proven therapeutic services to the community.

The college is recognized and registered with PMDC/PMC for a 4 Year BDS Undergraduate Program. It is also recognized for MSc. (Master of Science) in Oral Health Sciences, a 2-year Program and Residency program of FCPS in Operative Dentistry & Prosthodontics.

Currently, six batches have been graduated from DIDC and more than 200 students are enrolled in under graduate program. These students are catered by top-of-the-line Faculty in respective Clinical and Basic Medical & Dental Sciences Departments. The college is well equipped with High-Tec Laboratories, Simulation Center, Lecture Halls, Tutorial Rooms, Auditoriums, Museum and Digital Library.

Dow International Dental College Hospital is providing quality health care services through its well-established OPDs in Chanesar Halt and Medical Ward in Gulistan - e - Johar Hospital Karachi.

CONSTITUENT INSTITUTES OF DOW UNIVERSITY

Dow College of Pharmacy (DCOP)

Dow College of Pharmacy (DCOP) was established in 2007 and was upgraded as Faculty of Pharmaceutical Sciences, Dow College of Pharmacy in the year 2014. It is a distinguished and well-renowned entity working under the institution of Dow University of Health Sciences, accredited by the Pharmacy Council of Pakistan and Higher Education Commission of Pakistan.

This college provides quality education to its students by utilizing rich resources provided by the university and is equipped with facilities for its students, researchers and faculty. Highly qualified PhD faculty members and HEC approved research supervisors are the strength of our College. High research output and publications in Impact Factor International Research Journals are the key performance indicator of our Faculty. Besides offering a five year Doctor of Pharmacy (Pharm. D) program, this college also offers Master of Philosophy (M.Phil) and Doctor of Philosophy (Ph.D) degree programs in Pharmacology while Master of Philosophy (M.Phil) in remaining disciplines including Pharmaceutics, Pharmaceutical Chemistry, Pharmacognosy and Pharmacy Practice.

Dow Institute of Physical Medicine & Rehabilitation (DIPM&R)

Dow Institute of Physical Medicine & Rehabilitation (DIPM&R) offers a five year degree program of Doctor of Physical Therapy. Each year a batch of 100 students is admitted at the Ojha Campus, Karachi, providing excellent academic facilities with senior and competent faculty with fully equipped labs, classrooms along with providing physical therapy and related services to the community. DPT students can be enrolled in MS/ MPhil Physiotherapy in Pakistan or around the world. Employment opportunity is high in Pakistan and Middle East. They are entitled to appear in license board examination in USA, Canada, Australia and England. Private practice and domiciliary services can be practiced by DPT students. Teaching / research areas are widely open for these graduates.

Dow Institute of Nursing and Midwifery (DIONAM)

Dow Institute of Nursing and Midwifery (DIONAM) established in 2006, is situated within the Ojha campus of DUHS with a well-constructed building, and a conducive environment for teaching and learning. The basic aim of the institution is to fulfill the acute shortage of skilled nurses and Midwives in country by providing quality education and hands on nursing skills. Primary objective is to produce quality healthcare professionals through Bachelors of Nursing (BSN Generic), Post RN BSN, Post RN BSM and Masters in Nursing Programs.

School of Public Health (SPH)

The School of Public Health (SPH) prepares students to lead, manage and support health initiatives in a range of public health-focused organizations. It was founded in 2012. The school offers a Bachelor of Science, a 4 year degree program in Nutritional Sciences with comprehensive interdisciplinary program that blend sciences with food, nutrition and human health and offer two major track: Clinical Dietetics and Public Health Nutrition. Our post-graduate programs harness the expertise of renowned faculty who are experts in their fields, to offer

five program options: Masters in Public Health, Biostatistics and Epidemiology, Social and Behavioral Science, Health Policy and Management, and Public Health Nutrition.

Our activities are specifically designed to reduce the burden of disease in the community, through promoting social awareness, behavior change interventions, and training. SPH is committed to educate new generations of healthcare leaders and produce powerful ideas that improve the lives and health of people.

Dow College of Biotechnology (DCOB)

Dow College of biotechnology (DCOB) is a constituent College of Dow University of Health Sciences. The college is located in the graceful building of Dow International Medical College. Currently, a four-year BS Biotechnology program is conducted at DCOB. The College has excellent teaching faculty comprised of foreign qualified PhD scientists who are extensively involved in research activities and hence are well aware of the recent developments in the field of science. Teaching methodology at DCOB is a well-planned blend of theory and practical skills learned in laboratories, therefore, for students who have a passion for becoming scientists; Dow College of Biotechnology provides an excellent platform. The BS-Biotechnology course has been extensively designed to produce competent human resource in the field of biotechnology, and to train the graduates to apply scientific knowledge to address locally prevalent health, environmental, food and industrial issues.

Department of Ophthalmology & Visual Sciences

Optometry is a profession dealing with eye care. Optometrists provide primary vision care. They are trained to examine the eyes and detect problems in eyesight and ocular abnormalities. BS Optometry is a four year program covering all the theoretical and clinical aspects of training required by an Optometrist to achieve a successful career. Dow University of Health Sciences is the only public sector university in the Sindh province to offer this course.

Dow Institute of Radiology (DIR)

Dow Institute of Radiology has emerged as a center of top-notch education, cutting-edge research, and outstanding capabilities. Our mission is to bring scientific advances in medical imaging to clinical application.

The undergraduate programs offered by the institute includes a four year BS degree in Radiologic Technology, diploma in CT and MRI scan; while the post-graduate programs includes FCPS, MD, diploma in Radiology and Echo-cardiology, fellowship in VIR and Women Imaging, certificate courses in Basic Ultrasound, Doppler Ultrasound, Neuro-spinal Imaging and VIR. The talented faculty and advanced technology attract trainees and scientists who are among the best and brightest. It offers the opportunity to work and train in a dynamic innovative environment which remains easily accessible.

Institute of Business & Health Management (IBHM)

The Institute of Business and Health Management (IBHM) was established in 2007 as a constituent body of Dow University of Health Sciences. Initially it was named as Institute of Health Management (IHM) because the prime focus of institute is to serve the health care industry of Pakistan by providing best health care managers and leaders. Later on scope of business was also added to oblige the society by providing relevant, applicable and employable graduates, driven by technology and innovation to create value for business and health care industry through ethical, entrepreneurial leadership.

IBHM is offering BBA, MBA and Executive MBA programs in two different campuses located on prime locations of Karachi to facilitate larger population of community. The alumnae are working in prestigious national and international business organizations across the globe.

Dow Institute of Medical Technology (DIMT)

The aim of Dow University of Health Sciences to develop human resources in the field of Medical Technology transformed into reality in April 2005. Hence, the inception of Dow Institute of Medical Technology (DIMT) took place as one of its kind where Bachelor of Science was started.

This institute is offering BS Medical Technology program of four years in five major disciplines namely; Clinical Laboratory Sciences, Clinical Ophthalmic Technology, Perfusion Sciences, Respiratory and Critical Care and Surgical Technology.

A state of art skills lab is established at DIMT with latest and sophisticated models and full line of medical equipment under supervision of experienced medical technologists. Before clinical training at affiliated hospitals every student receives extensive hands on training in relevant skills in the skill lab under supervision of faculty. The Computer lab with 45 latest systems is fully operational where students get a better chance to browse medical Information, current updates, research articles or concerned topics.

School of Dental Care Professionals (SDCP)

School of Dental Care Professionals is the pioneer center that is offering four-year B.S. degree programs in the two main fields of dental auxiliary, namely Dental Hygiene and Dental Technology. These programs come under the domain of Allied Medical and Health Sciences and are administered in collaboration with the Dental Faculty of the Dow University of Health Sciences.

These programs cover not only the structured course-work spread over the period of four years, but also training pertinent to pre-clinical and para-clinical dental practice along with an additional one-year mandatory internship in different dental departments of Dow University of Health Sciences.

SCHOOL OF POSTGRADUATE STUDIES

Before

Before acquiring the charter of the University, postgraduate education was limited to training leading to FCPS at Civil Hospital, Karachi. After the establishment of the Dow University of Health Sciences in December 2003, several new postgraduate programs were initiated in the basic and clinical disciplines.

The School of Postgraduate Studies was established by the Syndicate to coordinate the postgraduate education in the University. The DUHS postgraduate policy spells out the guidelines for faculty and students' engagement in postgraduate activities in the University. The University envisages that each student will accomplish his/her studies within the stipulated duration for the corresponding study.

SPGS offered teaching and training of Postgraduate programs namely, Ph.D. / M. Phil./ FCPS/MCPS/Master/ Diploma/Short Diploma in various disciplines across the university.

Details of all program is available on the website.

<https://www.duhs.edu.pk/new/school-of-post-graduate-studies/>

UNIVERSITY

JSMU

VISION

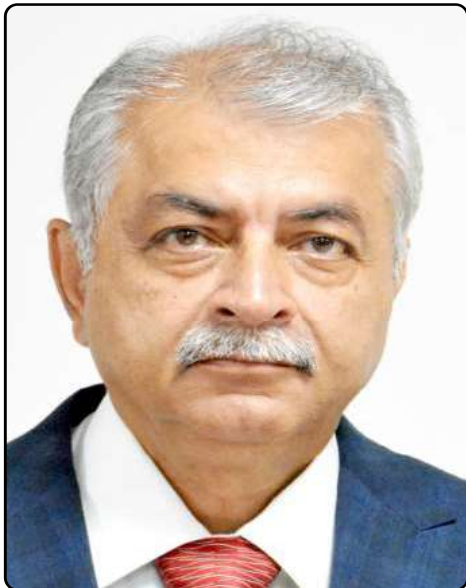

Be an innovative leader in developing healthcare professionals with world class profile in research education and patient care.

MISSION

The Jinnah Sindh Medical University exists to serve the state and community by:

- Adopting a dynamic integrated curriculum
- Updating teachers by effective faculty development program
- Imparting best learning opportunities to the students
- Guiding and helping, faculty and students towards top quality clinical and educational research.
- Developing leadership and expertise, in healthcare and education
- Promoting concept of life long learning, ethics and preventive medical care

JINNAH SINDH MEDICAL UNIVERSITY

MESSAGE

With great pleasure, I extend a warm welcome to all aspiring candidates for admission to medical and dental educational programmes in Sindh. Medicine and Dentistry are essential fields in healthcare that work to alleviate human suffering, a task of utmost responsibility. A candidate choosing to enter such a profession must be aware of the challenges this field entails and be prepared to work hard consistently to meet the high standards expected of doctors and dentists across the country, and indeed across the world.

Jinnah Sindh Medical University continuously works to incorporate modern teaching methods into its curriculum and pedagogy to ensure that its students and graduates are fully equipped to meet the world with up-to-date skills, knowledge, and confidence. To this end, JSMU has a pool of distinguished teachers and medical educationists whose collective experience and dedication to teaching and learning makes JSMU a leading institution across Pakistan.

I am sure you will find studying at JSMU an enlightening experience and will perform your due role as a responsible and hardworking student. I wish you success and good luck in your studies and career.

PROFESSOR DR. AMJAD SIRAJ MEMON

Vice Chancellor
Jinnah Sindh Medical University

INTRODUCTION

Jinnah Sindh Medical University (JSMU) is committed to modernizing medical education in Pakistan. Established on June 1, 2012, JSMU started with the reputable Sindh Medical College (SMC) as its first constituent. The University began expanding its repertoire almost immediately as the infrastructure and offices of admissions, examination, administration, finance and others were set up and soon the Institute of Pharmaceutical Science was established. This was followed by APPNA Institute of Public Health, Institute of Health and Business Management and Social Sciences, Sindh Institute of Oral Health Sciences, and Institutes of Nursing, Family Medicine, Medical Education, Physical Rehabilitation, Medical Technology, and Reproductive and Genetic Health.

The total number of institutes under the university is eleven at the moment. The number of affiliated colleges and programmes is around 16 and the enrolment figures of medical and allied health sciences students exceeds 6000, making it the largest medical university in Sindh.

JSMU is distinguished by the quality of its individuals and their commitment to modernizing and updating its curricula and facilities. Highly seasoned faculty and staff run its constituent medical college and institutes. University students receive clinical training in prestigious national institutions like the Jinnah Postgraduate Medical Centre (JPMC), National Institute of Child Health (NICH), and National Institute of Cardiovascular Diseases (NICVD).

JSMU is working towards the vision of a modern university at par with international standards by emphasizing e-learning and developing technology-based teaching and learning initiatives. It recently became the first public sector medical university to administer computer-based semester, BDS, and Diploma in Physiotherapy examination to its registered students from six affiliated colleges.

The University offers e-learning courses with currently 166 courses online for its students in affiliated colleges and has trained 110 faculty members in creating e-learning material. It was also the first public sector university in Pakistan to provide free wi-fi facility to students and faculty.

JSMU is also a proud part of Pakistan Education and Research Network (PERN2). This project facilitates teachers and students to access Internet, digital library with thousands of free eBooks and journals, plagiarism detection software Turnitin, and Video Conferencing facility.

The 187 mbps internet bandwidth on CIR is used for digital library access, audio/video communication, high definition streaming, server hosting, website applications/ portals, heavy duty download services and other services that rely on high speed internet. A dedicated state-of-the-art video conferencing facility is available where interactive video lectures and meetings can be conducted among multiple remote locations.

JSMU also has access to the digital library of the Higher Education Commission, which provides thousands of free e-books and journals for students and faculty with wide range of disciplines for research and education purpose. This digital library can be accessed from the computer labs and on portable devices through Wi-Fi facility in the university.

Biometric and face recognition attendance system is in place for the students and the University Staff. This system provides a transparent way to mark the attendance with a comprehensive reporting system.

AFFILIATED INSTITUTIONS

The following medical and dental Colleges and programmes are affiliated with JSMU after meeting the standards set by the Affiliation Committee of the University.

Affiliated Institutions

1. Liaquat National Hospital Medical College, Karachi
2. Liaquat College of Medicine & Dentistry, Karachi
3. Jinnah Medical and Dental College, Karachi
4. United Medical and Dental College, Karachi
5. Sir Syed College of Medical and Dental Sciences, Karachi
6. Altamash Institute of Dental Sciences, Karachi
7. Fatima Jinnah Dental College, Karachi
8. Hayat Institute of Physical Therapy and Rehabilitation, Karachi
9. South City Institute of Physical Therapy and Rehabilitation, Karachi
10. South City Institute of Nursing, Karachi
11. Abu Zafar Institute of Medical Sciences, Karachi
12. Jinnah College of Nursing, Karachi
13. Jinnah College of Rehabilitation Sciences
14. MC College of Medical & Allied Health Sciences, Karachi
15. Nursing College, National Institute of Child Health, Karachi
16. Karachi Institute of Physiotherapy and Rehabilitation sciences, Karachi
17. Indus College of Physical Therapy and Rehabilitation, Karachi.
18. Chiniot Institute of Nursing & Midwifery, Karachi.
19. Chinot General Hospital, Karachi.
20. Liaquat College of Nursing & Allied Health, Karachi.
21. Indus College of Medical & Allied Health Sciences
22. Department of Health Professions Education, LNHM, Karachi.
23. The Kidney Center and Postgraduate Training Institute, Karachi.

Sindh Medical College (SMC-JSMU)

The Government of Sindh established the Sindh Medical College (SMC) on 7th April 1973, to meet the growing need of healthcare professionals in the Sindh province. Professor Khwaja Muinuddin Ahmed was appointed the project director and the first principal of the new college.

Started in the building of the paediatric ward of the Jinnah Postgraduate Medical Centre (JPMC), the college began operating with three departments initially: Anatomy, Physiology, and Biochemistry. As the college building was constructed shortly afterwards, the departments of Pathology, Forensic Medicine, and Community Medicine, were added with modern teaching facilities, laboratories, and museums. An administration block was also constructed.

Case Based Learning (CBL)

Along with standard teaching, Case Based Learning (CBL) has also been introduced. Students gain applied knowledge and exposure to the terminal objectives of teaching from the beginning.

Problem Based Learning (PBL)

This is an advance method of integration for clinical students. This technique of clinical teaching is the latest and has an impact on the second spiral modular teaching. The problem is uploaded on website and is discussed in small groups of students in two or more sessions. During the discussion students are trained to develop critical problem-solving approach in rapidly changing clinical scenarios.

The students receive rigorous training in a professional environment at JPMC, NICH, and the National Institute of Cardiovascular Diseases (NICVD).

Modular Integrated Curriculum

Sindh Medical College follows the modular integrated curriculum which is among the most modern and student friendly teaching systems. The students are exposed to terminal objectives and clinical application of the initial knowledge from day one. The eventual integration between different subjects helps the students in building concepts.

Power Lab

Power Lab teaches scientific principles as well as data acquisition skills. The user-friendly system provides students with the hardware and software to perform a wide range of basic human physiology experiments including cardiovascular, respiratory, muscular, and neurological systems. Its installation at SMC has replaced the old system of physiology and pharmacology practical examinations.

Basic Academic Departments

Anatomy, Physiology, Pathology, Biochemistry, Pharmacology, Forensic medicine, Community Medicine

Clinical Departments

Medicine and Allied, Paediatrics, Surgery and Allied, ENT (Ear, Nose, Throat), Gynaecology and Obstetrics, and Ophthalmology

Sindh Institute of Oral Health Sciences (SIOHS-JSMU)

Sindh Institute of Oral Health Sciences was established on November 15, 2014 to meet the needs of the province in the area of dentistry. One of the aims of the Institute is to be internationally recognized as a leader in dental education, research, patient care, and community service.

The SIOHS is conceived to be a state-of-the-art institution that meets international standards in dental education and training, and contributes to global knowledge base by engaging in relevant and ethical research.

Bachelors of Dental Surgery (BDS): SIOHS is currently offering a 4-years degree programme Bachelors of Dental Surgery (BDS) and preparing to start the postgraduate programme including PhD, M. Phil, Masters, and Fellowships in all disciplines of dentistry.

The dental OPD working under JSMU's Sindh Institute of Oral Health Sciences has the capacity to serve up to 200 patients in a day. Services range from diagnosis to dental implants. Standard protocols of sanitization and sterilization are strictly followed. Postgraduate faculty provides compassionate care to patients. SIOHS is also a recognized training site for FCPS.

Other constituent colleges and institutes of JSMU Karachi.

1. APPNA Institute of Public Health (AIPH-JSMU)
2. Institute of Health & Business Management (IHBM-JSMU)
3. Institute of Pharmaceutical Sciences (IPS-JSMU)
4. Institute of Family Medicine (IFM-JSMU)
5. Institute of Nursing (ION-JSMU)
6. Institute of Physical therapy and Rehabilitation (IPR-JSMU)
7. Institute of Medical Education (IME-JSMU)
8. Institute of Medical Technology (IMT-JSMU)
9. JSMU Diagnostic Laboratory
10. M.Phil Programme in Clinical Pathology and Histopathology
11. Sindh Reproductive and Genetic Health Centre (SRGHC-JSMU)

Libraries

JSMU has a Sindh Medical College (SMC) main library and four other institutional libraries to support the academic programmes of medical sciences, Pharmaceutical Sciences, Oral Health Sciences, Health & Business Management and Public Health detail of Library Services.

At present, JSMU has two campuses. In the main campus, the Main Library is at Sindh Medical College, a library at Sindh Institution of Oral Health Sciences (SIOHS), the Digital Library and a lending library. In campus II, other institutional libraries are functioning in the Institute of health and business management and social sciences (IOHBMSS), Institute of Pharmaceutical Sciences (IPS) and the relatively newer library of the APPNA Institute of Public Health (AIPH)

Computers

More than 250 computers are available in digital library which are utilized by our students for research purposes, with access to HEC database where thousands of medical journals and books are available. Online examinations are also conducted on these computer systems.

Total number of books: 10516

International Regularly subscribed journals: 06

National regularly subscribed journals: 17

Internet, E library, and photocopier facilities are provided.

Scholarship / Financial Aid Office

Jinnah Sindh Medical University is providing financial assistance and scholarships to its students since its inception in 2014.

JSMU scholarship program is working with the objective that no student should discontinue his/her education for not able to pay the fees. We try to provide best possible opportunities to students through a number of available programmes which are as follows:

1. JSMU Merit Scholarship
2. JSMU need based Scholarship
3. HEC Need based scholarship
4. Sindh Endowment fund scholarship
5. Sindh Government Financial assistance out of zakat fund
6. Professional educational fund (PEF)
7. Scholarship offered to students of Indian Occupied Kashmir
8. Scholarship offered to Afghan students
9. Pakistan Technical Assistance Program (PTAP) Scholarship
10. Scholarships from Various Philanthropists of country
11. Educational Interest Free Loans schemes offered by NBP
12. Minority scholarship from government of Sindh
13. University of Karachi Alumni Association Scholarship
14. HEC EHSAAAS need cum merit undergraduate scholarship

Institutional Review Board (IRB): Institutional Review Board (IRB) is an independent body without any administrative person (except Director of Research) who could influence the decision of IRB. It is administrated by the Research Department. The purpose of IRB is to review the research projects/synopses for scientific and ethical values. In ten meetings of 2019, 134 proposals were reviewed and approved.

Advance Studies and Research Board (BASR): The purpose of the board is to prepare rules and regulations for postgraduate students. It also approves the synopses and theses of students and finally approves their certificates. The chairman of the board is the Vice Chancellor of the University and the members are the Deans, three professors and three university teachers. The Director of Research functions as the secretary of the Board.

International Relations and Liaison: Research Department also has the responsibility of making contacts with international universities and research centers. Department has successfully managed to sign Memoranda of Understanding with six international universities: University of Illinois, USA and Medical University of Selesia, Poland and four Chinese Universities (Hainan University, Sanya University, Hainan Normal University and Hainan Tropical Ocean University) and many Pakistani institutions.

Research Department is also responsible for the following committees:

- Scientific Committee
- University Research Funding
- Credit Transfer Committee
- Postgraduate thesis defense

Smart University

Jinnah Sindh Medical University is the first public sector medical university to provide centralized Wi-Fi facility to their students and faculty. Under this Project, faculty and students can freely avail internet connectivity through Wi-Fi on their smart phones and laptop devices within the university or any other smart university in the world with the same EDUROAM credentials provided by JSMU.

This Wi-Fi facility provides blanket coverage in both campuses of JSMU and is accessible round the clock.

The University has 187 mbps internet bandwidth on CIR. This internet is used for access to digital library, audio/video communication, high definition streaming, server hosting, website applications/ portals, heavy duty download services and other services that rely on high speed internet.

JSMU is also a part of Pakistan Education and Research Network (PERN2). This project facilitates teachers and students to access thousands of free eBooks and journals, plagiarism detection software Turnitin and the Video Conferencing facility.

A dedicated state of the art video conference facility is available where interactive video lectures and meetings can be conducted among multiple remote locations. This video conference facility is equipped with ultra-high definition (UHD) quality of Display screens and Codec, which gives crystal clear display.

The University has access to the Digital Library of the Higher Education Commission, which provides thousands of free e-books and journals for students and faculty with wide range of discipline for their research and education purpose. This digital library can be accessed from the computer labs and on portable devices through Wi-Fi facility in the university.

JSMU has also implemented biometric and face recognition attendance system for the students and the University Staff. This system provides a transparent way to mark the attendance with a comprehensive reporting system.

In addition, around 444 security cameras have been installed at JSMU campuses to enhance security for students, faculty, and staff. This initiative is part of the Higher Education Commission's 'Safe University Project.' The cameras have been installed in both campuses, the hostels, and the laboratories with twenty-four hours monitoring.

CATEGORY WISE SEATS (MBBS) WITH FEE STRUCTURE

4. Fee may be revised by the university at any time during the course of the study, due to unavoidable circumstances.

The image shows the main entrance gate of Liaquat University of Medical & Health Sciences, Jamshoro. The gate is a large, tan-colored structure with two prominent arches. At the top of the gate, the university's name is inscribed in dark letters. In the center, between the arches, is the university's logo, which features a stylized figure holding a staff with a snake, a symbol associated with medicine. The gate is set against a backdrop of a blue sky with scattered white clouds. To the right, there are utility poles and power lines. In the foreground, a paved road leads through the gate, and a few people can be seen walking. The overall scene is bright and clear.

LIAQUAT UNIVERSITY OF MEDICAL & HEALTH SCIENCES, JAMSHORO

VISION

Liaquat University of Medical & Health Sciences seeks to be a top-tier healthcare institution, producing ingenious academic leaders, medical researchers, and healthcare advocates to serve global community.

MISSION

Fostering ideal learning environment to ensure modern scientific evidence based practices by imparting critical knowledge, analytical and psychomotor skills, and professional dedication among healthcare students, under the umbrella of virtuous professional, moral and ethical standards.

LIAQUAT UNIVERSITY OF MEDICAL & HEALTH SCIENCES (LUMHS), JAMSHORO

MESSAGE

I am honoured to welcome the candidates from the country and abroad, aspiring for admission at this highly prestigious institution.

Desire to achieve such an aim is always associated with hardships and hindrances but the persistent efforts of genius people leave no chance for failure and success becomes certain.

A role-model doctor is not only associated with a noble profession but is an example for the society, possessing leadership qualities, being considerate, helpful, having knowledge and skills with a problem-solving approach.

It is now recognized that education and health are prime areas. High literacy rate of any nation with sound health is the most important indicator which ensures the prosperity of the country. Thus, without health and education disaster is inevitable.

Liaquat University of Medical and Health Sciences has achieved remarkable success and continues to forge its future with new program initiatives, a modern curriculum, research endeavors, student engagement, professional training, faculty development, progress towards a state-of-the-art campus building and modern facilities. The university has established academic and research collaborations with international universities in the United States of America, United Kingdom, Europe and China, to further strengthen our education system. We consider each student as an individual with different needs and bent of mind. Therefore, areas of general teaching as well as options for more personalized teaching and attachment are always there, including but not limited to undergraduate students exchange programs for a short term stay at international collaborating institutions.

It is satisfying that the successful students admitted to this university will fully enjoy their journey of medical education.

I conclude with the hope that when you become a graduate, you will not ignore our deprived population awaiting to welcome you.

PROFESSOR DR. IKRAM DIN UJJAN

Vice Chancellor

Liaquat University of Medical & Health Sciences, Jamshoro

HISTORICAL BACKGROUND

Liaquat University of Medical & Health Sciences (LUM&HS) Jamshoro is the first ever public sector medical university with a long history of imparting quality medical education in the region. It started as a medical school in the present Civil Hospital, Hyderabad, Sindh in 1881, the first ever medical institution in the province of Sindh. After the separation of Sindh from the Bombay Presidency, this school was upgraded to the status of a medical college to impart teaching for MBBS under Bombay University.

The Medical College at Hyderabad Sindh was inaugurated by Sir Francis Moody, first Governor of Sindh and the first batch of forty-five students including one Muslim female student were admitted. The College was then shifted to Karachi on 10th December, 1945 and was renamed as Dow Medical College. Subsequently, Government of Sindh started another college in the same Civil Hospital, Hyderabad premises in 1951, which was named as Liaquat Medical College (LMC) after the first Prime Minister of Pakistan, Mr. Liaquat Ali Khan. The LMC was affiliated with the University of Sindh.

In its journey of more than 71 years, the College has made tremendous contributions in both medical education and healthcare in the province and the country. The LMC shifted to its new, beautiful, and spacious campus at Jamshoro in 1963. Initially, it offered the MBBS course only. The Dental Section imparting education and training for the degree of Bachelor of Dental Surgery (BDS) was added in 1963. In the same year, the college also started postgraduate courses. The number of postgraduate courses expanded gradually and the college acquired the status of a postgraduate medical institute in 1989. Besides, it became a recognized institution of the training for FCPS and MCPS in almost all disciplines of medicine, surgery, dentistry, and allied sciences. It also received recognition from accreditation bodies of foreign countries such as British General Medical Council of United Kingdom, Educational Commission for Foreign Medical Graduates (ECFMG) of USA, and similar bodies of several other countries. The College has made significant contribution in postgraduate medical education and has produced more than 1200 specialists in various disciplines of clinical and basic sciences with postgraduate qualifications of MD, MS, MPhil, MPH, and Diplomas. It was this outstanding contribution that upon comprehensive inspection and recommendation of the former University Grants Commission, now Higher Education Commission (HEC), and after prolonged deliberations at the highest for a of provincial government, the honourable governor of Sindh promulgated Liaquat University Ordinance on 20th January 2001, upgrading the Liaquat Medical College to Liaquat University of Medical & Health Sciences, a unique distinction indeed of being the first ever medical university in public sector of the country.

INSTITUTE OF DENTISTRY

The Institute of Dentistry was originally established in the Liaquat Medical College in the year 1963 as the second oldest but the largest institute in the country. With the upgradation of Liaquat Medical College (LMC) to the status of University i.e. Liaquat University of Medical & Health Sciences (LUMHS), the dental section was upgraded as an Institute of Dentistry.

Since its inception, the Institute of Dentistry, Liaquat University of Medical & Health Sciences, Jamshoro has been continuously focusing on its academic excellence to provide quality dentistry care to all sectors of society and at the same time providing the community with qualified dental specialists. As a result, the Institute of Dentistry is recognized for its quality undergraduate and postgraduate courses by Pakistan Medical & Dental Council (PM&DC) and College of Physicians & Surgeons, Pakistan (CPSP). Postgraduate courses like Master of Science (MSc) in all clinical disciplines including FCPS-II, Oral and Maxillofacial Surgery, Operative Dentistry, Prosthodontics, and FCPS Orthodontics specialty are also being offered in this institution.

Constituent Colleges / Institutes of LUMHS, Jamshoro

- Bilawal Medical College for Boys LUMHS, Jamshoro.
- Institute of Dentistry.
- People Nursing School.
- Institute of Physiotherapy and Rehabilitation Sciences.
- Institute of Bio-Medical Engineering and Technology.
- College of Pharmacy.
- College of Technology LUMHS, Jamshoro.
- Institute of gastroenterology and Hepatology

ALLOCATION OF SEATS

DISTRICT WISE ALLOCATION OF SEATS FOR MBBS

District-Wise distribution of General Merit, Merit-cum-Choice seats for MBBS course at LUMHS Selection Center is as under:

DISTRICT WISE ALLOCATION OF MERIT SEATS

EXPLANATION NOTES ON RESERVED SEATS

Two (02) seats at BMC, Quetta, Balochistan on reciprocal basis from LUMHS

Two (02) candidates from LUMHS selection center shall be selected for admission in MBBS course at Bolan Medical College Quetta, either by choice from selection or from upper waiting general pool on option basis.

One (1) seat of MBBS course at AJK Medical College, Muzaffarabad

One candidate from LUMHS selection center shall be selected for admission in MBBS course at AJK Medical College, Muzaffarabad, either by choice from selection or from upper waiting general pool on option basis.

In case a seat falls vacant in above categories due to selection based on merit-cum-choice, it shall be filled by admitting the next candidate from upper merit waiting from the same district.

University Education Assistance Programme (UEAP)

Fifteen (15) seats in MBBS and fifteen (15) seats in BDS as mentioned in "Distribution of seats of tagged Districts with LUMHS" have been reserved for local students on University Educational Assistance Programme (UEAP), subject to criteria and other formalities for admission as prescribed in the prospectus. The candidates, who will apply for admission in MBBS/BDS course under UEAP self-finance, will be considered on merit. In case a general merit seat falls vacant before closing of admission, the candidate shall be considered on general merit seat as per merit.

University Development Programme (UDP)

Twenty Nine (29) seats in MBBS as mentioned in "Distribution of seats of tagged Districts with LUMHS" have been reserved for local students on University Development Programme (UDP) subject to criteria and other formalities for admission as prescribed in the prospectus. Those candidates who will apply for admission in MBBS course under UDP self-finance will be considered as per merit.

Reserved Seats under Overseas Category for the Children of Overseas Pakistanis

Four (04) seats in MBBS have been reserved for the children of Overseas Pakistanis with domiciles of Sindh Province, subject to criteria and other formalities for admission as prescribed in prospectus.

Option once given shall be final.

Once a candidate exercises an option for a seat on merit-cum-choice basis and fails to avail the same, his/her admission shall stand cancelled and will not be considered on open merit.

Seats for Balochistan Province

Four (04) seats for MBBS programme, two (02) on reciprocal basis and two (02) on Good Will basis are reserved for the students of Balochistan Province. The nominations will be made by the Health Department, Government of Balochistan for admission at LUMHS Jamshoro. The criteria of their admissions must be followed by the eligibility, rules, and regulations of this University and PMC.

Disabled Candidates

Candidates for admission against the seats reserved for disabled persons, after having failed to be selected against the district merit seats on the basis of their overall merit, will have to produce a certificate from the Department of Social Welfare, Government of Sindh, Karachi or Civil Services Hospital to the effect.

A Medical Board shall be constituted by the Vice-Chancellor, Liaquat University of Medical & Health Sciences, Jamshoro to examine the candidates and establish the degree of disability of the candidates. Disabled candidates shall be selected as per merit list of the disabled candidates provided by the board.

VICE CHANCELLORS SECRETARIAT

PEOPLES UNIVERSITY OF MEDICAL & HEALTH SCIENCES FOR WOMEN, SHAHEED BENAZIRABAD

MESSAGE

It is an extreme honour and privilege to write this welcome and greeting message for new entrants of MBBS (2022-23) in this premier medical university for girls. Peoples University of Medical & Health Sciences for Women, Shaheed Benazirabad shines as vivid star among global universities Agile - Dynamic and Innovative.

Students will be enrolled on merit - cum choice from tagged districts to concerned Universities and Colleges. I hope the transparent process of admission on merit will keep all the applicants satisfied. Indeed, this prospectus will guide the interested candidates during the entire course of selection for session 2022-23. My university is committed to inculcate the quality education, skill and research in under and post-graduate students to completely handle the health care responsibilities. Which are rigorously assured by internal mechanism and external audit with first rate teaching skill from well qualified and academic staff utilizing modern state of art ICT facilities. I am thankful to all the faculty members for their valuable input and support towards achieving these goals.

I am glad and feel pride to share that my University is ISO Certified for Quality Management System. We have also introduced a new course of BS-Public Health since Last Four Years first ever in Pakistan. Beside we are offering DPT, Pharm-D & BS Nursing (Generic and Post RN).

Indeed my university also enables every student towards personal accomplishment enlightenment health care engagement and productive contribution to the society in tune with National Education Policy 2021. We also give our students opportunities to develop a global mindset throughout partnerships with universities and organizations around the world.

I wish a successful admission process in all the Medical Universities & Colleges and look forward to successful candidates to invest their entire energies towards the acquisition of knowledge and skills in order to become competent, efficient and caring member of medical profession. May! Allah (SWT) bless you. Ameen

PROFESSOR. DR. GULSHAN ALI MEMON

Vice Chancellor, PUMHSW
Shaheed Benazirabad (Nawabshah)

INTRODUCTION OF PUMHSW, NAWABSHAH (SBA)

HISTORICAL BACKGROUND of Peoples Medical College & Peoples University of Medical & Health Sciences for Women, Shaheed Benazirabad, Nawabshah.

With passion vision of Shaheed Zulfikar Ali Bhutto the premier Medical College exclusive for girls, came into existence in April 1974 at Nawabshah with the name of Peoples Medical College.

Peoples University of Medical & Health Sciences for Women, Nawabshah was established by Act of Government of Sindh 2009 dated 21-12-2009, Governor of Sindh & Chancellor given Ascent on 10-11-2010. Prof: Azam Hussain Yousfani was appointed on 08th January, 2011 As the First / Founder Vice Chancellor of Peoples University of Medical & Health Sciences for Women, Shaheed Benazirabad.

During infancy period of PUMHS we have established the Institute of Physiotherapy & Rehabilitation Sciences in 2012, Begum Bilqees Sultana Institute of Nursing in 2012, Institute of Pharmaceutical Sciences in 2014, and Institute of Public Health Sciences in 2017.

We are stepping forward in accordance to ever changing Medical & Community Health Sciences, We are ISO Certified for Quality Management System and in the last academic year we have initiated a new course of BS Public Health accredited by Higher Education Commission and First of its kind in Pakistan. It will open the new avenues and career opportunities for the graduates.

Peoples University of Medical & Health Sciences for Women is known for its quality education reputable research and best patient care for this purpose it is all the time in strenuous efforts to assert assemble and expand. It is enriched with qualified and competent faculty to deliver their best. Every department is equipped with latest instruments.

Skill Lab was established which will be upgraded to the professional development centre to give hands on practical training to the students and the faculty members by conducting regular classes working of primary training care (PTC), Basic life support (BLS), Advance cardiac life support (ACLS) and Advanced life Trauma life support (ALTLS) workshop besides all possible training in medical and surgical, nursing and Physiotherapy skills.

About 6000 lady doctors have been graduated from this College so far. Postgraduate training in this institute started in 2004 and since than about 600 postgraduate trainees has imparted training in various specialties. Seventy foreign national students belonging to different countries including Sri Lanka, Nepal, Ethiopia, Mauritius, Somalia, Sudan, Bangladesh, Saudi Arabia, UAE, Indian held Kashmir, Canada, Maldives, Kenya, Jordan and Oman are studying in this University. Many have been graduated and are serving in their respective countries.

This University is permanently recognized by PMC & HEC for postgraduate courses in all specialties

**SHAHEED MOHTARMA BENAZIR BHUTTO
MEDICAL UNIVERSITY (SMBBMU) LARKANA**

MESSAGE

I am honoured to be a part of Shaheed Mohtarma Benazir Bhutto Medical University, founded in 1973 as College and recognized as University in 2008. Our university has established a rich tradition of excellence having a broad range of academic disciplines. We are building on this tradition by ensuring that our students receive the best possible medical education and research supervision from highly qualified academic staff. Our Students will interact with some of the best minds and most influential thinkers in your fields of academia.

I honour this opportunity and extend a warm welcome to the students coming from every corner of the country to join in undergraduate programs. During your years of study & stay with us you will have teachers, mentors and seniors, all form an extended family from whom you can look up for guidance, support and help to move ahead in life in study programmes you have opted.

Our university has highly qualified faculty in their respective fields of expertise. A large number of national and international conferences, seminars and workshops are organized by the university. Such events provide a variety of experiences to the students and inculcate skills such as leadership and team spirit which are helpful in their career. Our faculty members have been able to publish good quality research work in high impact factor journals of repute. There is an active interaction between faculty and students in the campus. The learning experiences in the campus pave a strong path for enhancement of overall development of the learners.

I wish and ensure you, on behalf of University that we will at any cost support our students to pursue their objectives of life under the varied social, cultural and economic environment and make the University family proud of their attainments.

INTRODUCTION

The dream of establishing a Medical University in Larkana was fulfilled through announcement by the honorable Chief Minister of Sindh, Syed Qaim Ali Shah at Garhi Khuda Bux Bhutto on 12th April, 2008.

The bill for Shaheed Mohtarma Benazir Bhutto Medical University was presented and unanimously passed by Sindh Assembly on 12th September, 2008.

The Act was sent to honorable Governor of Sindh for assent and subsequently the act was notified on 18th October, 2008. The ground-breaking ceremony of the University was performed by the then President of Islamic Republic of Pakistan Mr. Asif Ali Zardari on 30th December, 2009.

A team of Higher Education Commission (HEC) officials along with Medical Experts visited the University and accredited it. The University has following constituent and affiliated Colleges and institutions:

- Chandka Medical College, Larkana.
- Ghulam Mohammad Mahar Medical College, Sukkur.
- Bibi Aseefa Dental College, Larkana.
- Institute of Physiotherapy & Rehabilitation Center SMBBMU Larkana.
- Institute of Pharmacy, SMBBMU, Larkana.
- Benazir College of Nursing, SMBBMU, Larkana.
- Larkana Institute of Nuclear Medicine & Radiotherapy.

Academics:

Objectives of University for Undergraduate Degree Programs:

The objective of Degree Program at SMBBMU is to provide a good account of fundamentals in the Medical field. Basic knowledge is supplemented with latest applied approaches during clinical training including diagnostic and radiological investigations. Comprehensive programs are designed to inculcate self-learning skills and analytical approaches to solve medical problems, ultimately producing young medical professionals capable of delivering effective health services to the masses or undertaking advance studies and research.

Undergraduate Courses:

1. MBBS course (Five year plan)
2. BDS course (Four year plan).
3. Pharm-D course (Five year plan)
4. Degree Program in Nursing.
5. Doctor of Physiotherapy (Five year plan)

Chandka Medical College Larkana

Chandka Medical College came into being on 20th April, 1973. There was a dire need of a medical college in upper part of Sindh. Shaheed Zulfiqar Ali Bhutto the then Prime Minister of Pakistan gifted Chandka Medical College with 200 bedded Civil Hospital.

CMC is recognized by Pakistan Medical Commission (PMC) and also by General Medicine Council (GMC) United Kingdom & CPSP. FCPS, MD, M.Phil, MCPS and various other diploma courses are offered at the very college.

CMC Larkana is the only medical institution in Northern Sindh which has progressed steadily during the last 50 years of its dedicated service in the health education sector. The College has produced around 13000 eminent doctors who are serving in every nook and corner of the world.

Ghulam M. Mahar Medical College Sukkur

Ghulam Muhammad Mahar Medical College (GMMMC) Sukkur was established on 2nd September, 2003. It is a constituent college of Shaheed Mohtarma Benazir Bhutto Medical University Larkana, located in the center of Sukkur city. Presently, 500+ students are enrolled in MBBS program with clinical rotations at the teaching hospital of GMMMC.

The College has abundance of books available for the students and Faculty. Moreover, Anatomy models, seminar rooms, and museums are available in each department to facilitate the students. Keeping in view the hot climate of the northern part of Sindh, the academic building like the lecture hall, Dissection hall, Demonstration Rooms, Seminar Rooms, Laboratories, libraries and offices for the faculty members are well equipped with air-conditioning facility. Modern way of teaching is adopted at the very medical college with the latest Audio Visual teaching aids. Laboratories are well equipped with latest gadgets, like new respire meters labs, treadmill, power lab etc.

Bibi Aseefa Dental College Larkana

On the occasion of 57th Birthday of Shaheed Mohtarma Benazir Bhutto, then President of Pakistan Mr. Asif Ali Zardari was kind enough to spare time and inaugurated BADC Larkana. Bibi Aseefa Dental College which is the only Dental college of Northern Sindh and its periphery.

BADC is providing dental education and dental care and is a center of excellence to provide complete health facilities like Facial Trauma, Oral Cancer, and Orthogenetic surgery, re-constructive & dental care to people of this area. Dental Medicine embraces very important practice related to the oral cavity. Oral diseases are major public health problems due to their high incidence and prevalence across the globe.

Status of University:

University is recognized by HEC and PMC, GMC, CPSP and is equipped with following facilities:

- State of art Laboratories with latest equipment.
- Conventional and digital Library.
- IT department.
- Video Conference.
- 1400 bedded Teaching Hospital with latest facilities recognized by CPSP.

Extra-Curricular activities like sports, conferences, talent shows, quiz program, debate competition and study tours are arranged to keep students refreshed and re-creative.

KARACHI MEDICAL AND DENTAL COLLEGE

MESSAGE

“It is gratifying to note that Karachi Medical and Dental College is functioning smoothly since its inception in November 1991. This is the first Medical College of its kind in Pakistan and third in the sub-continent ever established and maintained by a Metropolitan Corporation.

I must appreciate the effort of the faculty of KM&DC in maintaining high standards of medical education in this institution. It is to re-enforce that the responsibility of the doctors encompasses not only delivery of quality care but the practice of moral and ethical values as well. The institution is persistently maintaining excellence in education by producing good results, imparting knowledge and training to the young future Doctors.

I made a promise to the faculty and students of KM&DC regarding up-gradation of KM&DC and to establish a Public Sector Government University “Karachi Metropolitan University” in District central like Jinnah Sindh Medical University and Dow University of Health Sciences.

I kept my promise and because of our efforts in February, 2022 Cabinet of Government of Sindh principally approved the establishment of “Karachi Metropolitan University” and Cabinet has also approved the final draft of “Karachi Metropolitan University” on 10th October, 2022. When the session of Sindh Assembly will be called, bill of “Karachi Metropolitan University” will be presented for approval as soon as possible Insha Allah.

I welcome the students who are entering the undergraduate program session 2022-2023 and hope that they will put in their best in achieving their goals in life and be of service and devote themselves for the cause of humanity.”

BARRISTER MURTAZA WAHAB

Administrator, KMC & Chairman Governing Body,
Karachi Medical & Dental College

3)

MESSAGE

It is indeed a pleasure to commence admissions for yet another batch of medical and dental graduates at Karachi Medical and Dental College (KM&DC).

Medicine and dentistry are noble professions that attract brilliant students. On the basis of the principles of Merit, Justice, Equity, and Transparency, KM&DC believes that all candidates should be given an equal opportunity to demonstrate their suitability for the undergraduate program and entry into the medical and dental profession.

Students who are embarking on a satisfying and challenging career are well positioned to positively influence and advance the undergraduate learning environment in our college.

However, students should be aware of hard work ahead of them as they enter medical and dental colleges. However, from admission to graduation they the policies must feel confident that the policies of Karachi Medical & Dental College are fair, transparent and equitable.

Prospectuses are designed to make the application process easier for applicants. It has been written in a simple style to help make the election and admission process more understandable.

I look forward to welcoming you to the first step along your career path in Medicine and Dentistry.

Prof. Nargis Anjum

M.B.B.S, M.Phil. Ph.D

Principal & Chairperson Academic Council
Karachi Medical & Dental College

KARACHI MEDICAL AND DENTAL COLLEGE

Karachi Medical & Dental College (KM&DC) came into existence on 27th November 1991. OPTIONS ONCE GIVEN SHALL BE FINAL

Once a candidate exercises an option for a seat on open merit basis OR on self-financing seat and fails to avail the same, within given period his/ her admission shall stand cancelled & next candidates will be called for admission

ELIGIBILITY

1. Candidate for admission must have Permanent Residence Certificate on Form 'C' and Domicile certificate in a respective Towns / Districts / Divisions of Sindh province tagged to Shaheed Mohtarma Benazir Bhutto Medical College Lyari, Karachi and candidates other than above mentioned credential will not be entertained categorically.
2. Candidates should carefully apply for the quota as per the Jurisdiction of their addresses mentioned in Domicile/ PRC documents, otherwise the application will be deemed redundant.
3. There are no available seats other than mentioned quota, hence no legal claim will be entertained in this regard.
4. Whereas there is no Allocated Reserve / Special seat available for any other province/overseas as per policy of Shaheed Mohtarma Benazir Bhutto Medical College Lyari, Karachi in the course of M.B.B.S. like FATA, Gilgit Baltistan etc.
5. Documents submitted at the time of submission of Forms will be Considered Genuine credential of students. No change / alternate of Domicile / PRC or other any documents in current or next year for admission will be acceptable. In case candidate found in possession of more than one Domicile his/her admission will be cancelled and hence this type of claims have neither any legal value nor is challengeable in any court of law and authorities. These acts of change / alternate disqualify the student from admission in the current session and next.
6. Strictly notify that after the display of Final Merit List the student will be eligible for the admission in the First year M.B.B.S. Course in current session after authenticated verification of Domicile/PRC from concerned authority of previous Towns/Districts/ Divisions and other educational documents. If after verification Domicile / PRC / Educational documents appear to be fake or students will not appear as bonafide resident of residential jurisdiction of concerned Town / District / Division. The admission will be deemed cancelled and any type of claim have neither legal value nor is challengeable in any court of law and next candidate on merit will be considered for admission.
7. After displaying of final merit list, admission will be finalized after verification of domicile/ PRC of concerned towns (relevant documents). Any Candidates found using Domicile/P.R.C. of more than one Town/ District/ Division, or domicile obtained on false credentials or of other province in Pakistan shall be disqualified for admission in this college forever and is liable for prosecution under the standing laws.
8. Domicile Certificate and CNIC from NADRA of Father/ Mother / Guardian should be from Sindh Province. The domicile certificate of mother shall only be accepted in case where father has expired and no such certificate was issued to him OR there has been remarriage / separation for which a valid document from the Court has been produced. Domicile certificate and CNIC from NADRA of the candidate can also be accepted either if he/ she has attained the age of 18 years or both the parents are not alive (supported by death certificate) and no such certificate was issued to him. In this case guardian domicile (from Sindh Province) should be submitted.
9. All admissions are provisional subject to verification of Documents, Domicile / PRC submitted by the candidate and also the correct observance of the rules. If at any stage, even after the final merit list or the start classes of academic session, it is proved that the candidate has been admitted on the basis of false incorrect documents or information or having double Domicile/ PRC or against the rules of admission, his/her admission shall be cancelled immediately by the institution concerned and all fees paid by him/her shall not be forfeited if found guilty.

10. The date of admission in First year MBBS course shall be taken to be the first day of the corresponding academic year, irrespective of the fact as to when candidate has been selected for admission in the institution.

11. The rules and regulations for holding different professional examination for M.B.B.S. course shall be in accordance with the rules and regulations framed by the Pakistan Medical Commission (PMC) & university where is college is affiliated for the Degree course of M.B.B.S. or amended from time to time and as approved by the Shaheed Mohtarma Benazir Bhutto Medical College Lyari Karachi.

SUSPENSION & RUSTICATION:

1. The Principal of medical college is empowered to suspend, rusticate or expel any student.

2. A student whose name appears in F.I.R pertaining to a non-bailable offence as specified in the Criminal Procedure Code (CPC) will be suspended. During the pendency of the case he/she will not be allowed to attend classes or take up any examination.

3. A student shall be liable for suspension up to six months if he/she commits any of the following acts:

- a. Misbehaves or quarrels with any teacher or member of the college staff.

Gambat Medical College, will be admitting the 6th batch of MBBS Students and it will be having all six batches of MBBS course. There are 100 seats allocated to 23 tagged districts of Sindh. The selection of the students is based on district wise quota with no discrimination of caste & creed. The aim is not only to produce competent doctors but also to inculcate high moral values in them through the education, which is focused to ensure that training and grooming of the students go hand in hand with modern requirements of medical institution. The college is recognized by the then Pakistan Medical & Dental Council (PM&DC) Islamabad.

The college is a part of Pir Abdul Qadir Shah Jeelani Institute (PAQSJIMS), Gambat, the main campus is situated on the left bank of Rohri canal. The humid & cooler air coming from the canal, keeps atmosphere comfortable even in hot days. It is just half kilo meter away from the National Highway, the Highway which connects Sindh with other provinces of Pakistan.

Best possible medical education to the youngsters of the Sindh particularly the rural areas, is the main aim of establishment of this college and to provide health care facilities to the people not only of Sindh but also the adjoining areas of other provinces as well.

The college has dedicated and hard working teaching faculty and so are the students the faculty is almost completed according to the PMC Islamabad criteria.

Everyone in the institute is committed to provide outstanding training & grooming of the students under the state of art facilities in

purpose, the building with the basic teaching facility including air-conditioned modern Lecture halls, laboratories, demonstration rooms, library and central infra-structure which can be compared with any best medical institution in the country and abroad. All the lecture halls, demonstration rooms and seminar rooms are equipped with latest I.T facilities.

Postgraduate research center with various disciplines such as regenerative medicines, molecular medicines, P.G high-tech lab, and stem cell technology is going to be introducing after completion of our project.

The college is affiliated with Shaheed Mohtarma Benazir Bhutto Medical University (SMBBMU) Larkana for examination purpose and secured positions in various examinations. PAQSJIMS, Gambat has played a pivotal role on flood disaster this year, we have taken steps by arranging flood relief camp, free medicine and our Consultant has served at affected areas.

The teaching hospital has state of the art clinical departments with the indoor as well as outdoor patients care clinical facility which is the requirement of a medical college when the students enter their clinical teaching. The bed strength of the hospital of the institute is 1000 beds to accommodate four batches of students.

DIGITAL LIBRARY

It has more than 100 computers with ocean to hundreds of online journals.

READING LIBRARY

There is large collection of books. Timings for students is from 8-0 am to 8-0 pm.

UNDERGRADUATE SKILL LABORATORY

Students can get training on latest electrical dummies. Also they can get help of various museum e.g Anatomy museum, Pathology museum. The college has Bone Bank where sufficient number of bones are present, which can be issued to students.

POWER LAB

Power lab teaches scientific Principles as well as data this institution has replaced the old system of acquisition skills. This installation has replaced the old system of Physiology and Pharmacology practical examination.

The system provides students with the hardware & software to perform basic human experiments in various fields including cardiovascular, respiratory, muscular & neurological systems.

BASIC ACADEMIC DEPARTMENTS

Anatomy, Physiology, Biochemistry, Pathology, Pharmacology, Forensic Medicine and community medicine, are the basic departments.

CLINICAL DEPARTMENTS

Clinical departments comprise of Medicine and Allied, Pediatrics, Surgery & Allied, otorhinology Ophthalmology, Obstetrics & Gynaecology.

COLLEGE OF NUTRITION & MEDICAL TECHNOLOGIES.

Human Nutrition & Dietetics and Medical technologies of various fields are the prime requirement of almost all the medical institutions. PAQSJMS has started four year Degree Programs in the following technologies with 100 seats per year.

1. BS. Human Nutrition & Dietetics.
2. BS. MT- (Intensive care & Anesthesia)
3. BS. MT- (Pulmonology & Critical Care)
4. BS. MT- (Pathology Laboratory)
5. BS. MT- (Cardiology & Perfusion Sciences)
6. BS. MT- (Radiology & Nuclear Medicine)
7. BS. MT- (Surgical Care)
8. BS. MT- (Pediatric Care)
9. BS. MT- (Ophthalmology Care)
10. BS. MT- (Dialysis Care)

KHAIRPUR MEDICAL COLLEGE, KHAIRPUR MIR'S

MESSAGE

Khairpur Medical College is one amongst 12 public sector Medical Colleges of Sindh located in Khairpur city the Head quarter of District. It is largest district of Sindh extending up to Indian border having 2.5million population.

College was established on 30th June 2012 in Government Elementary College for women Khairpur Mir's. The purpose built Medical College is under construction in heart of City, near railway station and Civil Hospital Khairpur. The College was recognized by PM&DC in 2015 and PMC in 2020.

The 1st batch of 100 students was admitted in 2015 for session 2014-15. Three hundred students have successfully graduated from Khairpur Medical College, Khairpur Mir's. By now 500 students are studying from 1st year to final year MBBS. This is 9th Batch of 100 students being admitted in MBBS for Session 2022-23.

The college is merged with Peoples university of Medical and Health sciences Nawabshah (SBA) as its constituent part on 19th August 2020. You will find here best Academic atmosphere based on latest medical knowledge & ethics taught by highly qualified and dedicated faculty.

Faculty, Students & Staff are grateful to Chief Minister Sindh Syed Murad Ali Shah, Health Minister, Dr. Azra Fazal Pechuho & Secretary Health Department Syed Zulfiqar Ali Shah for their continuous support to bring College at this level and allowing it to be merged with PUMHS Shaheed Benazirabad Nawab -Shah.

We are thankful to Vice Chancellor PUMHS Nawab Shah Prof: Dr: Gulshan Ali Memon for accepting challenge of bringing out College from crises for recognition from PMC Islamabad and by making it to be Constituent part of his university.

KMC-Civil Hospital Khairpur(500 Beds) & Kausar Hospital Khairpur (50Beds) are attached to college for clinical training of students.

This Medical College is fully equipped with latest Teaching aids and equipment for training of students. The lecture halls, laboratories, seminar rooms, museums are air conditioned. High quality Medical education, clinical training and skills are taught to students to produce Doctors with full of sympathy and empathy to suffering humanity. The PM&DC curriculum is adopted and annual system of examination is started from January 2020 according to syllabus of PUMHS-Nawab Shah(SBA). There is system of counseling and continuous internal assessment to help students and teachers abreast with learning and simultaneous self-evaluation.

Students are advised not to miss lectures, demonstrations, clinical postings & participate in sports/recreational activities and directed to act upon code & conduct of College to maintain discipline.

With warm well come to students and best wishes for them to be best healers.

PROF.DR. RUKHSAR ALI SHAHANI

15. Candidates applying under the category of Overseas Pakistanis should submit the proof of his/her father/mother working outside Pakistan.

NOTE: Any candidate found having Domicile/P.R.C. of more than one district/province in Pakistan shall be disqualified for admission in any medical institution of Sindh.

IMPORTANT INSTRUCTIONS:

1. Filled application form with all relevant documents must be properly filed & tagged district should be clearly mentioned on the envelope.
2. Candidates are required to submit the file/envelope containing the filled application form and the required documents at the designated courier centers (TCS).
3. All columns of the application form must be filled correctly. Incomplete application forms are liable to be rejected.
4. Copies of relevant documents duly attested must be submitted as per schedule given at the end of the prospectus. No application form shall be entertained after the closing date.
5. The Admission Committee shall have the right to cancel the admission of candidate who indulges in violence, uses abusive language or becomes insolent or misbehaves with any member of the Admission Committee throughout the process.
6. The Provisional merit of the candidate is liable to be corrected, if required at any stage and no candidate whose name appears in the provisional list shall claim admission on that basis.
7. No documents (Marks certificate, Revised Marks certificate, Domicile, PRC, CNIC, etc) will be entertained after closing date.
8. Only female candidates will be admitted in PUMHSW, Shaheed Benazirabad on merit cum choice basis on allocated seats of tagged districts.
9. The day one of the commencement of classes will be considered as the beginning of the academic year.
10. Seats which remain vacant at the time of selection shall be filled by admitting the next candidate on merit list from the same district. District merit is strictly maintained according to district quota; if the seat still remains vacant. If waiting candidates are not available in same category that vacant seats shall be filled as per decision of institutional admission committee / PMC guidelines (if available).
11. In case a seat falls vacant during the timelines given by PMC, the same shall be filled by adopting the aforesaid procedure. Any seat falling vacant thereafter shall not be filled and shall stand forfeited.
12. The selected candidates shall get themselves enrolled with the institution on payment of requisite fees within period of three (03) working days, failing which his/her admission will be cancelled, and next candidate on merit will be offered the seat.

13. Candidates who are finally selected on open merit seat, UEDP or any other category allowed provisional admission shall have to pledge through an affidavit that they will complete the course of MBBS of five (05) years, and BDS of four (04) years as the case maybe. In case they leave the university before completing the course for any reason, they will submit a pay order of Rs. 300,000/- (Rupees Three Lac only) for open merit seat and Rs.500,000/- (Rupees five lac only) for self-finance seat under all categories i.e. UEDP/UEAP/UDP etc. in favor of the respective university as a penalty for wasting a precious seat.

14. Original documents (Matric Pakka Certificate/O Level Certificate, Matric/O Level Mark sheet, Intermediate/A Level provisional certificate, Intermediate/A Level Mark sheet, Candidate Domicile, Candidate PRC and Father's Domicile) of the selected candidates will remain in the custody of the respective university till the completion of the course or the expulsion of the candidate due to any reason.

15. Those candidates who will be selected for admission under UEAP, UDP, Overseas Pakistani, Foreign Nationals and Afghan Nationals will not be converted in District merit seat after enrollment at any stage of the course.

16. Selected candidates shall have to deposit fee and all mentioned documents within 03 working days after displaying the final selection list, otherwise their names will be cancelled without any notice and no claim will be considered.

Important Note:

The provisions made in this prospectus are liable to be modified, relaxed, or amended by the university authorities from time to time and such changes will be applicable to all concerned.

TEACHING SYSTEM AND PROMOTION/DROPOUT CRITERIA

1. DUHS, JSMU, KMDC & SMBBMC (Lyari) are following Integrated Modular Teaching System and Annual examination.
2. PUMHSW (Shaheed Benazirabad), LUMHS (Jamshoro), SMBBMU (Larkana) & Gambat Medical College (Gambat) are following conventional teaching system and Annual examination system.
3. Re-admission of students and maximum chances to pass professional examination will be applied as per rules and regulations of each admitting university.

RULES FOR MIGRATION

1. Migration shall be as per PMC rules & regulations.
2. Migration of students to and from the private medical universities/colleges shall not be allowed under any circumstances.
3. Migration is allowed once during the entire period of medical education of a student.
4. Migration fee of Rs. 100,000/- (Rupees One Lac Only) will be charged by each university (relieving and admitting) from the student.
5. All scholarships / financial assistance shall be cancelled once the student migrates to another college/institution and is not transferable.
6. The migrated student shall not claim any compensation for the loss of time due to differences in starting / ending of academic sessions and examination schedule between concerned institutions.
7. Migration is only possible when there is any vacant seat available in the recipient institute so that the total number of seats does not exceed the designated quota.
8. NOC from relieving and recipient university/college shall be required.
9. Migration will not be allowed to candidates admitted on reserved (eg. PTAP, bilateral program) and under self-finance scheme.
10. Specific Migration rules pertaining to individual university/college are available in respective section of that university/college.

MEDICAL BOARD FOR SELECTED CANDIDATES

Selected candidates shall have to undergo a medical examination by a medical board constituted by the university. The selected candidates must produce the following investigations.

- a) X-Ray Chest (PA)
- b) Urine DR
- c) Blood C.P. + ESR
- d) Vaccination certificate against HBV
- e) HBs Ag, HCV Ab
- f) Thalassemia Minor Screening Test
- g) HIV
- e) Covid Vaccination Card

SPECIAL MEDICAL BOARD FOR DISABLED CANDIDATES

A Special Medical Board for Disabled Candidates will be constituted in each university to determine the genuineness and severity of the disability of candidate.

RULES FOR PAYMENT OF FEE

1. If the student wishes to leave the University/College, the deposited fee will be refunded as per PMC rules.
2. Fee structure is available in respective portion of each university / college.
3. Fee is subject to revision by the University/Health Department Government of Sindh at any time during the course of study and will be applicable at once for all years.
4. Candidates selected for admission in 1st Year MBBS/BDS under any category will have to deposit fee within 3 working days after display of the final list, failing which their names will be cancelled without any notice and no claim will be entertained.
5. The student will have to pay the prescribed fee for the remaining years at the start of each session within stipulated time period i.e. 15 days. The challan forms will be issued by the Directorate of Finance.
6. If any student in subsequent years fails to deposit fee/dues within stipulated time period, he/she shall not be eligible to appear in examination. If student appeared in examination without clearing dues, the Controller of Examinations will be held responsible.

7. In case a student appeared in Examination with the permission of the competent authority, the Controller of Examinations will withhold the examination result till issuing of No Dues Certificate from Incharge Student's Branch / Director of Finance.
8. The Incharge Student's Branch / Director of Finance will be responsible to collect the prescribed fee of remaining years from students. If any student fails to deposit the prescribed fee, the Directorate of Finance will issue notice to the defaulter student.
9. The Director of Admissions will provide the complete data of admitted students to the concerned departments.
10. Late payment will be charged as per respective university's policy.
11. Convocation and Degree fee will be charged from students at the time of submission of tuition fee of final year.

FORMULA FOR WORKING OUT OVERALL MERIT

- SSC/Matriculation/Equivalent (10%).
- HSSC/F.Sc (Pre Medical) or Equivalent. (40%).
- MDCAT (50%).

Note: Candidates who passed their F.Sc (Pre-Medical)/HSSC or Equivalent Exam last year (2021) and are now applying for admissions in medical/dental colleges for the session 2022-23, are informed that only their ELECTIVE SUBJECT MARKS and percentage will be considered for merit calculation for admission in medical & dental colleges for the session 2022-23.

Example:

If a candidate has obtained the following marks:

A	Matric Science/O Level Equivalence Examination	650/850 or 76.471%
B	HSC/A-Level Equivalent Examination	660/1100 or 60.000%
C	MDCAT Marks for MBBS	110/200 or 55%
D	MDCAT Marks for BDS	90/200 or 45%

His/her merit will be calculated as follows:

A	Matric Science/O Level Equivalence Examination	$76.471\% \times 0.1 = 7.647\%$
B	HSC/A-Level Equivalent Examination	$60\% \times 0.4 = 24.000\%$
C	Entry Test Marks	$55\% \times 0.5 = 27.500\%$

Overall Merit of the Candidate	A+B+C = 59.147%
---------------------------------------	------------------------

All calculation in percentages will be rounded up to five decimal points. In case final merit of more than one candidate is equal up to five decimals, the candidate older in age shall stand higher in merit;

Following marks shall be added in the total marks of candidate's HSSC (Pre- Medical) qualifying examination in order to adjust the marks.

Twenty (20) marks will be added to all Hafiz-e-Quran candidates subject to the clearance of Hafiz-e-Quran Interview, to be conducted by Hafiz-e-Quran Committee and production of legitimate certificate from an approved institution that he/she is a Hafiz-e-Quran. Interview committee for Hafiz-e-Quran candidates will be constituted by the concerned vice chancellor to conduct interview of Hafiz-e-Quran candidates to ensure that he/she is a genuine Hafiz-e- Quran.

PROCESSING UNIVERSITIES AND THEIR AUTHORIZED WEBSITES

All those candidates who are falling in the merit list are advised to keep visiting the website of the following processing Universities/Colleges.

- a) Dow University of Health Sciences (DUHS)
- b) Jinnah Sindh Medical University (JSMU)
- c) Karachi Medical & Dental College (KMDC)
- d) Shaheed Mohtarma Benazir Bhutto Medical College Lyari (SMBBMC)

2. **Liaquat University of Medical & Health Sciences (LUMHS) Jamshoro for admission with following tagged districts: www.lumhs.edu.pk**

- | | |
|-----------------------------------|-------------------------|
| 1. Hyderabad | 8. Tharparkar |
| 2. Sanghar | 9. Umerkot |
| 3. Shaheed Benazirabad –Nawabshah | 10. Jamshoro |
| 4. Thatta | 11. Matiari |
| 5. Sujawal | 12. Tando Allahyar |
| 6. Badin | 13. Tando Mohammad Khan |
| 7. Mirpurkhas | |

3. **Shaheed Mohtarma Benazir Bhutto Medical University (SMBBMU) Larkana for admission with following tagged districts: www.smbbmu.edu.pk**

- | | |
|----------------------|---------------------|
| 1. Larkana | 6. Kashmore |
| 2. Shikarpur | 7. Naushehro Feroze |
| 3. Jacobabad | 8. Sukkur |
| 4. Dadu | 9. Ghotki |
| 5. Kamber-Shahdadkot | 10. Khairpur |

4. **Peoples' University of Medical & Health Sciences for Women (PUMHSW) Shaheed Benazirabad.**

Only the female students will be admitted from all tagged districts of Sindh province as per allocated seats on merit-cum-choice. www.pumhs.edu.pk

WAITING LIST

Candidates who are interested only for open merit admissions have to submit an application to clarify their non interest in UEDP (or only open merit waiting) or if he/she does not respond on the day of self-finance.

For reciprocal seats, candidates have to submit Rs.18,700/- bank draft in favor of the respective university (to be returned if they join the respective college/university within a week of the offer). If the selected candidate does not report within a week of the offer, the next candidate on waiting list (of reciprocal candidates) will be offered this seat and his/her admission fee draft will not be refunded. A candidate can keep his/her name in only one waiting list.

On the day of Admission (UEDEP), those candidates who wish to keep their name on waiting list of UDEP have to submit bank draft of Rs.24,200/- admission fee (refundable if the respective university could not admit within one month). Only these candidates will be considered to be interested for admission and their name will remain included in self-finance waiting list.

CLOSING DATE OF ADMISSION

- Admission to all categories will be closed as per timelines provided by PMC and no admission will be given in any category including the reserved seats after the closing dates mentioned by PMC.
- Orientation class on first day of the class after admission in first year MBBS/BDS course will be considered as the first day of corresponding academic year.
- Enrolment form will be issued after the confirmation of submitted documents within three months of the first day of academic session. Any other letter besides that will be considered fake.
- The selected candidates will be enrolled with the university by paying enrolment fee.

VACANT SEATS

- The seats which remain vacant at the time of selection will be filled by admitting the next candidate on merit under the same category, subject to availability of waiting candidates in same category. If waiting candidates are not available in same category that vacant seats shall be filled as per decision of institutional admission committee / PMC guidelines (if available).
- The time duration to respond to offer of admission is only three (03) working days after receipt of a call/offer letter. Next candidate on merit shall be offered admission after lapse of stipulated time.

WARNING

This is to inform that admissions in all categories/ programs in Public sector Universities/ Colleges of Sindh are offered on the basis of merit alone and references/ recommendations of any sort or from any sources are not entertained.

Unfortunately, this has been observed that some fabricators present in society strike on this sensitive note and misuse students and their parents who are willing for admission in medical universities / colleges and despite they are not on merit, offer them admissions by obtaining millions of rupees by fraud presenting themselves as part of college / university management / administration.

Forged documents and students with fake admissions are always caught. In last few years, such cases were identified by the administration of various medical universities and are now facing legal consequences.

Therefore

All students and their parents who are interested in getting admission in public sector medical universities / colleges are hereby requested to abstain from bypassing merit and refrain from any fake means by getting misused by a fabricator.

Cash payment of any sort should not be given to any individual within or outside the university / college premises otherwise university / college administration will not be held responsible.

Thank you.

انتباہ

سندھ کی تمام سرکاری یونیورسٹیز/ کالجوں میں داخلے ہر کیٹیگری میں صرف اور صرف میرٹ کی بنیاد پر دیئے جاتے ہیں جس میں کسی بھی قسم کی سفارش وغیرہ کا عمل دخل نہیں ہوتا۔

افسوس کے ساتھ کہنا پڑتا ہے کہ معاشرے میں موجود چند جعل ساز لوگ طالب علموں اور انکے والدین کو میڈیکل میں داخلے کی شدید خواہش کے پیش نظر ان کے احساسات سے کھیلتے ہوئے متحرک ہو جاتے ہیں اور میرٹ نہ ہونے کے باوجود داخلے کا جھانسہ دیکر لاکھوں روپے ہتھیالیتے ہیں۔ اور بعض اوقات خود کو انتظامیہ کے فرد ظاہر کرتے ہیں۔ جعلی کاغذات سے جعلی داخلے والا طالب علم ضرور پکڑا جاتا ہے۔

پچھلے چند سالوں میں اس قسم کے کچھ کیسز یونیورسٹی کی انتظامیہ نے پکڑے ہیں جن کے خلاف قانونی چارہ جوئی

ہورہی ہے۔

لہذا

داخلے کے خواہش مند طالب علموں اور انکے والدین سے درخواست کی جاتی ہے کہ ایمان پر قائم رہتے ہوئے میرٹ سے ہٹ کر کسی جعل ساز کے جھانسے میں آکر جعلی داخلے کو کوشش ہرگز نہ کریں جو کہ ن صرف ناکام عمل ہوگا۔ بلکہ وہ محنت کی کمائی ضائع کرنے کے علاوہ قانون کے شکنجے میں بھی پھنس جائینگے۔

اطلاع

سمورن شاگردن ۽ انهن جي والدين کي اطلاع ٿو ڏجي ته سنڌ جي سمورين سرڪاري ڪاليجن ۽ يونيورسٽين ۾ داخلا صرف ۽ صرف ”ميرت“ جي بنياد تي ڏني ويندي آهي ۽ ڪاب سفارش نه هلندي آهي.

بدقسمتيءَ سان اهو ڏٺو ويو آهي ته ڪجهه جلساڙ ماڻهو ميڊيڪل ڪاليج / يونيورسٽي ۾ داخلا جي اميدوار شاگردن ۽ انهن جي والدين کي ڪوڙين داخلائن جو آسرو ڏيئي لکين رپيا ڦري وڃن ٿا، ڪڏهن ڪڏهن هو پاڻ کي يونيورسٽي يا ڪاليج جو عملدار به سڏرائيندا آهن.

ڪوڙن سرٽيفڪيٽن ۽ ڪوڙين داخلائن وارا شاگرد هر صورت ۾ پڪڙجي ويندا آهن ۽ پوءِ انهن کي قانوني ڪارروائي سان منهن به ڏيڻو پوي ٿو. اهڙا ڪجهه ڪيس پڪڙيا به ويا آهن.

سموري شاگردن ۽ انهن جي والدين جيڪي ميڊيڪل ڪاليج / يونيورسٽي ۾ داخلا جا خواهشمند آهن، کي گذارش ٿي ڪجي ته ڪنهن به دوڪيباز جي جهانسي ۾ نه اچن ۽ ياد رکڻ ته ”ميرت“ کان هتي ڪري ڪنهن کي به داخلا نه ملندي ۽ هو ڪنهن به دوڪي ۾ اچي پنهنجا قيمتي پئسا ضايع نه ڪن.

ميڊيڪل يونيورسٽي يا ڪاليج جي اندر يا ٻاهر ڪنهن به فرد سان ڏيئي لپتي نه ڪئي وڃي.
